Class : .....

**Instruction:** Read the table to understand when to use this and that.

Word	When do we use it?	Meaning	Example
<b>this</b>	When the object is <b>near</b> you (close to you)	Nearby object	<i>This</i> is my pencil.
<b>that</b>	When the object is <b>far</b> from you (not close)	Distant object	<i>That</i> is a big tree.

### Simple Rules for “This” and “That”

#### 1. Use this for things that are close.

- You can touch it or it is right next to you.
- Example: This book is on my desk.

#### 2. Use that for things that are far away.

- You cannot touch it easily or it is across the room.
- Example: That car is on the road.
